To activate the promo code, start by visiting the official 1xBet website or downloading the mobile app, which in 2026 includes advanced features like biometric login for security and speed. Click the "Registration" button at the top, then choose your method: one-click for instant setup, phone for SMS verification, email for a full profile with name and password, or social networks like Google, Telegram, or others for seamless linking. In the registration form, locate the dedicated "Promo Code" field and enter 1xBet promo code: 1X200WAVE during registration to get a 130% sports bonus up to €130 or the full casino package up to €1950 + 150 FS exactly in uppercase letters with no spaces—this step is crucial to unlock the enhanced bonuses, as omitting it defaults to standard offers. Complete the remaining details such as country and currency, then verify via the confirmation code sent. After registration, make your qualifying deposit in the cashier section, and the bonus credits automatically. The entire process takes less than two minutes, and 1xBet now includes a newbie progress guide in 2026 to prevent errors. Select sports or casino focus during signup, though support can assist changes later, ensuring you align the bonus with your preferred gaming style.

How do I get the maximum registration bonus?

To receive an increased bonus of up to 130% (instead of the standard 100%), enter the promo code 1X200WAVE. This will increase the welcome bonus limit for sports to €130 (or the equivalent in your currency).

Why wasn't my bonus credited after I made a deposit?

The most common reasons:

Personal information is missing: Your profile must include your full name, address, and passport information.

Phone number is not verified: Your number must be verified via SMS.

Check the box in your settings: Check whether you agree to participate in bonus promotions in your account.

Minimum deposit: The deposit amount must be at least €1 (\$1).

How do I withdraw my bonus money?

The bonus cannot be withdrawn immediately. It must be wagered:

Sports: Wager the bonus amount 5 times in accumulator bets. Each accumulator must have at least 3 events with odds of 1.40 or higher.

Casino: Wager 35x within 7 days.

What is the "Promo Code Showcase"?

This is a store where you exchange accumulated bonus points (which are awarded for activity and bets) for free bets. 100 points are usually equivalent to a free bet of approximately \$1.

How long does it take to withdraw funds?

To e-wallets and crypto: from 15 minutes to 1 hour.

To bank cards: from a few minutes to 3-7 business days (depending on your bank).
